Dear Parents and Caregivers,

This year, to coincide with ANZAC Day and the 100-year anniversary of the ANZAC landings at Gallipoli during the First World War, Gosford City Council will be supporting the Gosford Poppy Project. Our school has chosen to participate. Our students will be making poppies to symbolise remembrance, loss, and ultimately, hope. These poppies will be added to those created by other citizens across the Gosford City region. The project will see a field of handmade poppies installed in Rotary Park, Gosford - between the War Memorial and the Central Coast Highway - as a symbol of our gratitude to all Australians who have made sacrifices during wartime. Installation of the ‘field of poppies’ will take place on Thursday 16 April 2015, and will remain in place until Monday 27 April.

You are invited to dedicate your child’s poppy to someone you know who served our nation. You may have had a relative or neighbour whom you can pay your respect to in this manner.

If you would like to participate, please fill out the details below to be included in the dedication. At the end of the project, all dedications will be collated into a Gosford book of dedications to be kept as part of the collection in Gosford Library, along with other research and publications produced by the Library. Please complete the form below and return to the school office no later than Tuesday 31 March.

Lest We Forget
