HOMEWORK CENTRE ~ Term 2

To all our families,

Our Homework Centre will resume on Wednesday 22 April 2015 (Term 2, Week 1) and will include Weeks 1-9. It will operate in 3/4W classroom:

2.45pm - 4.15pm every Wednesday

This is available to all Year 3 – 6 students.

In the first half the students will continue work from individual learning programs being studied in class or homework set by the class teacher. The classroom has computers and an interactive whiteboard to support students learning. The second half will involve a variety of activities which will include games, art, cooking and sporting activities.

Students may bring their own fruit to eat for afternoon tea.

We continue to have a number of terrific staff members, Mrs Lois Gillett and Miss Jacqueline Nagle who will be homework tutors and support the students.

Due to the number of students wishing to attend, the school is offering 30 places for students in Term 2. Regular attendance at the Homework Centre is required in order to maintain their place.

If you wish your child to attend could you please complete the permission note below, indicating your contact number/s and whether you give permission for your child to walk home at the completion of the activities. The tutors will walk students across Maidens Brush Road. As we have limited vacancies, we advise that the first 30 students to return their completed permission notes will be eligible to attend in Term 2.

Attending the Wyoming Public School Homework Centre is a privilege for students who follow the Student Welfare and Discipline policy. As a general rule any student who has received 2 or more detentions, a suspension or any incident involving aggressive behaviour during the term will not be able to attend. This decision will be made at the discretion of the Principal and the Executive Team.

Rebecca Wild
