SCHOOL SWIMMING AND WATER SAFETY PROGRAM

A MESSAGE TO PARENTS/CAREGIVERS

Arrangements have been made to include swimming instruction in the curriculum for Year 2 boys and girls in our school.

The Department of Education & Communities’ School Swimming and Water Safety Program is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival.

Students who have not reached a satisfactory standard of water safety and survival skills and are unable to swim 25m confidently unaided in deep water are eligible to participate in the Special Swimming Scheme. The Scheme focuses on non-swimmers in Year 2.

Instruction will take place at Wyoming Swim Centre under the instruction of qualified teachers. The Program will operate during Term 4, daily for two weeks from Monday 19 October – Friday 30 October. (Weeks 3 and 4, Term 4). The total cost for the 10-day Program is $45.00. This cost is for daily entry into the pool. Children will be walking to and from the pool.

As numbers for the School Swimming and Water Safety Program are limited it is highly recommended that notes be returned to school as quickly as possible. To secure a position in the program please make sure the note is returned with a deposit / full payment. Others will go onto a waiting list if anyone decides to withdraw before the dates.

A deposit of $25.00 to be made with this form by Friday 21 August 2015 (End of Week 6, Term 3) will secure a place in the Program. Further payment of $20.00 is due by Friday 11 September 2015 (End of Week 9, Term 3)

If your child is eligible for the Program, please complete and sign the form below and return it to the office.
